Upon arrival to the U.S., you will be required to check-in with our office and attend two mandatory orientation sessions: Transfer/Graduate Orientation plus International Student Orientation. Please see the Admitted Student Checklist (will be included in your I-20 packet) for the relevant orientation dates and plan your travel accordingly. Also, please keep in mind that U.S. Federal regulations allow international students to enter the U.S. no earlier than 30 days before to the start of classes. This means you can enter after December 19, 2021.

If your enrollment plans change in any way, please contact the Office of International Services (OIS) in writing. Application and admission materials are kept on file for one year and students may have the option to defer their admission for one term. You will need to reapply with all new materials after one year, or after the admission deadline has passed for special program admissions.

If you have any questions, please contact OIS by email at ois@govst.edu or by phone at +1.708.235.7611.

We offer our warmest congratulations and look forward to welcoming you to campus!

Sincerely,
